### PREFACE

This report is one in a series on Soviet Ground Force and Logistic installations being prepared for a DIA/CIA Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center 1P1a (DIA). The photographic analysis for this particular report was performed by the Production Center 1P1a.

In the interest of uniformity, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: (A) railroad service, (B) road service, (C) landing strips, (D) administrative and troop housing areas, (E) storage areas, (F) ammunition storage areas, (G) POL storage areas, (H) other buildings and facilities, (J) equipment storage/maintenance areas, (K) athletic fields, (L) small arms firing ranges, (M) driver training areas, (N) tank/assault gun firing ranges, (P) flat trajectory firing ranges, (Q) artillery emplacements (batteries), (R) infantry or combined arms field training areas or courses, (S) special training facilities, (T) unidentified facilities or tracking activity.

## DESCRIPTION OF INSTALLATION

Railroad Service

There is no rail service at any of these installations. The town of Ventspils is well served by rail.

Road Service

Each installation is served by city streets and has an internal road network.

Aircraft Landing Strip

The nearest aircraft landing facility is Ventspils South Airfield. This sod field is located 4 km south of Ventspils.

Administrative and Troop Housing Areas

Area D1 contains 9 dependents quarters, 12 multistory barracks, 3 single-story storage buildings, and 3 single-story support buildings.

Area D2 contains 4 multistory barracks/administration buildings, 9 multistory barracks, and a single-story support building.

Area D3 contains 5 multistory barracks/administration buildings, 13 single-story barracks, 6 single-story storage buildings, and 3 single-story support buildings.

Area D4 contains 2 multistory barracks/administration buildings, 3 single-story storage buildings, and 4 single-story support buildings.

General Storage Area

Area E contains 4 single-story buildings.

Equipment Storage/Maintenance Areas

Area J contains a 170- by 50-foot vehicle maintenance building, a 90- by 40-foot vehicle storage building, 2 support buildings, and a 300- by 150-foot vehicle park.

Athletic Fields

There are 3 athletic fields (K) in Area D3.
